Reminder for all Chamber Members

All businesses & organizations that join the chamber receive a unique login to the chamber website. One of the best ways to use this login is to update your listing on the chamber's website. This is a great tool to promote yourself to locals and visitors alike.

You're also able to add Hot Deals, Member to Member Deals, Job Openings, and News Releases directly to the chamber website! You can login in at any time and as many of these as you need. Again, this is a great way to get found online.

Celebrating Business

We all enjoyed welcoming these new businesses and celebrating new milestones!

Ribbon Cuttings

A ribbon cutting is the ceremonial opening of a business that is brand-new, newly-renovated/relocated, or under new management. Sometimes it celebrates a business milestone or new chamber member. They're also great networking opportunity!
